QuietBack™ Carpet Tiles

Borough - Moreau

Urban perspectives, inspired by cityscapes

Borough planks are inspired by the built environment of the world's most inhabitable cities.

Diagonal lines across the tile create a series of varied rhombus shapes that share a striking resemblance to the birds-eye view of a thick, urban landscape.

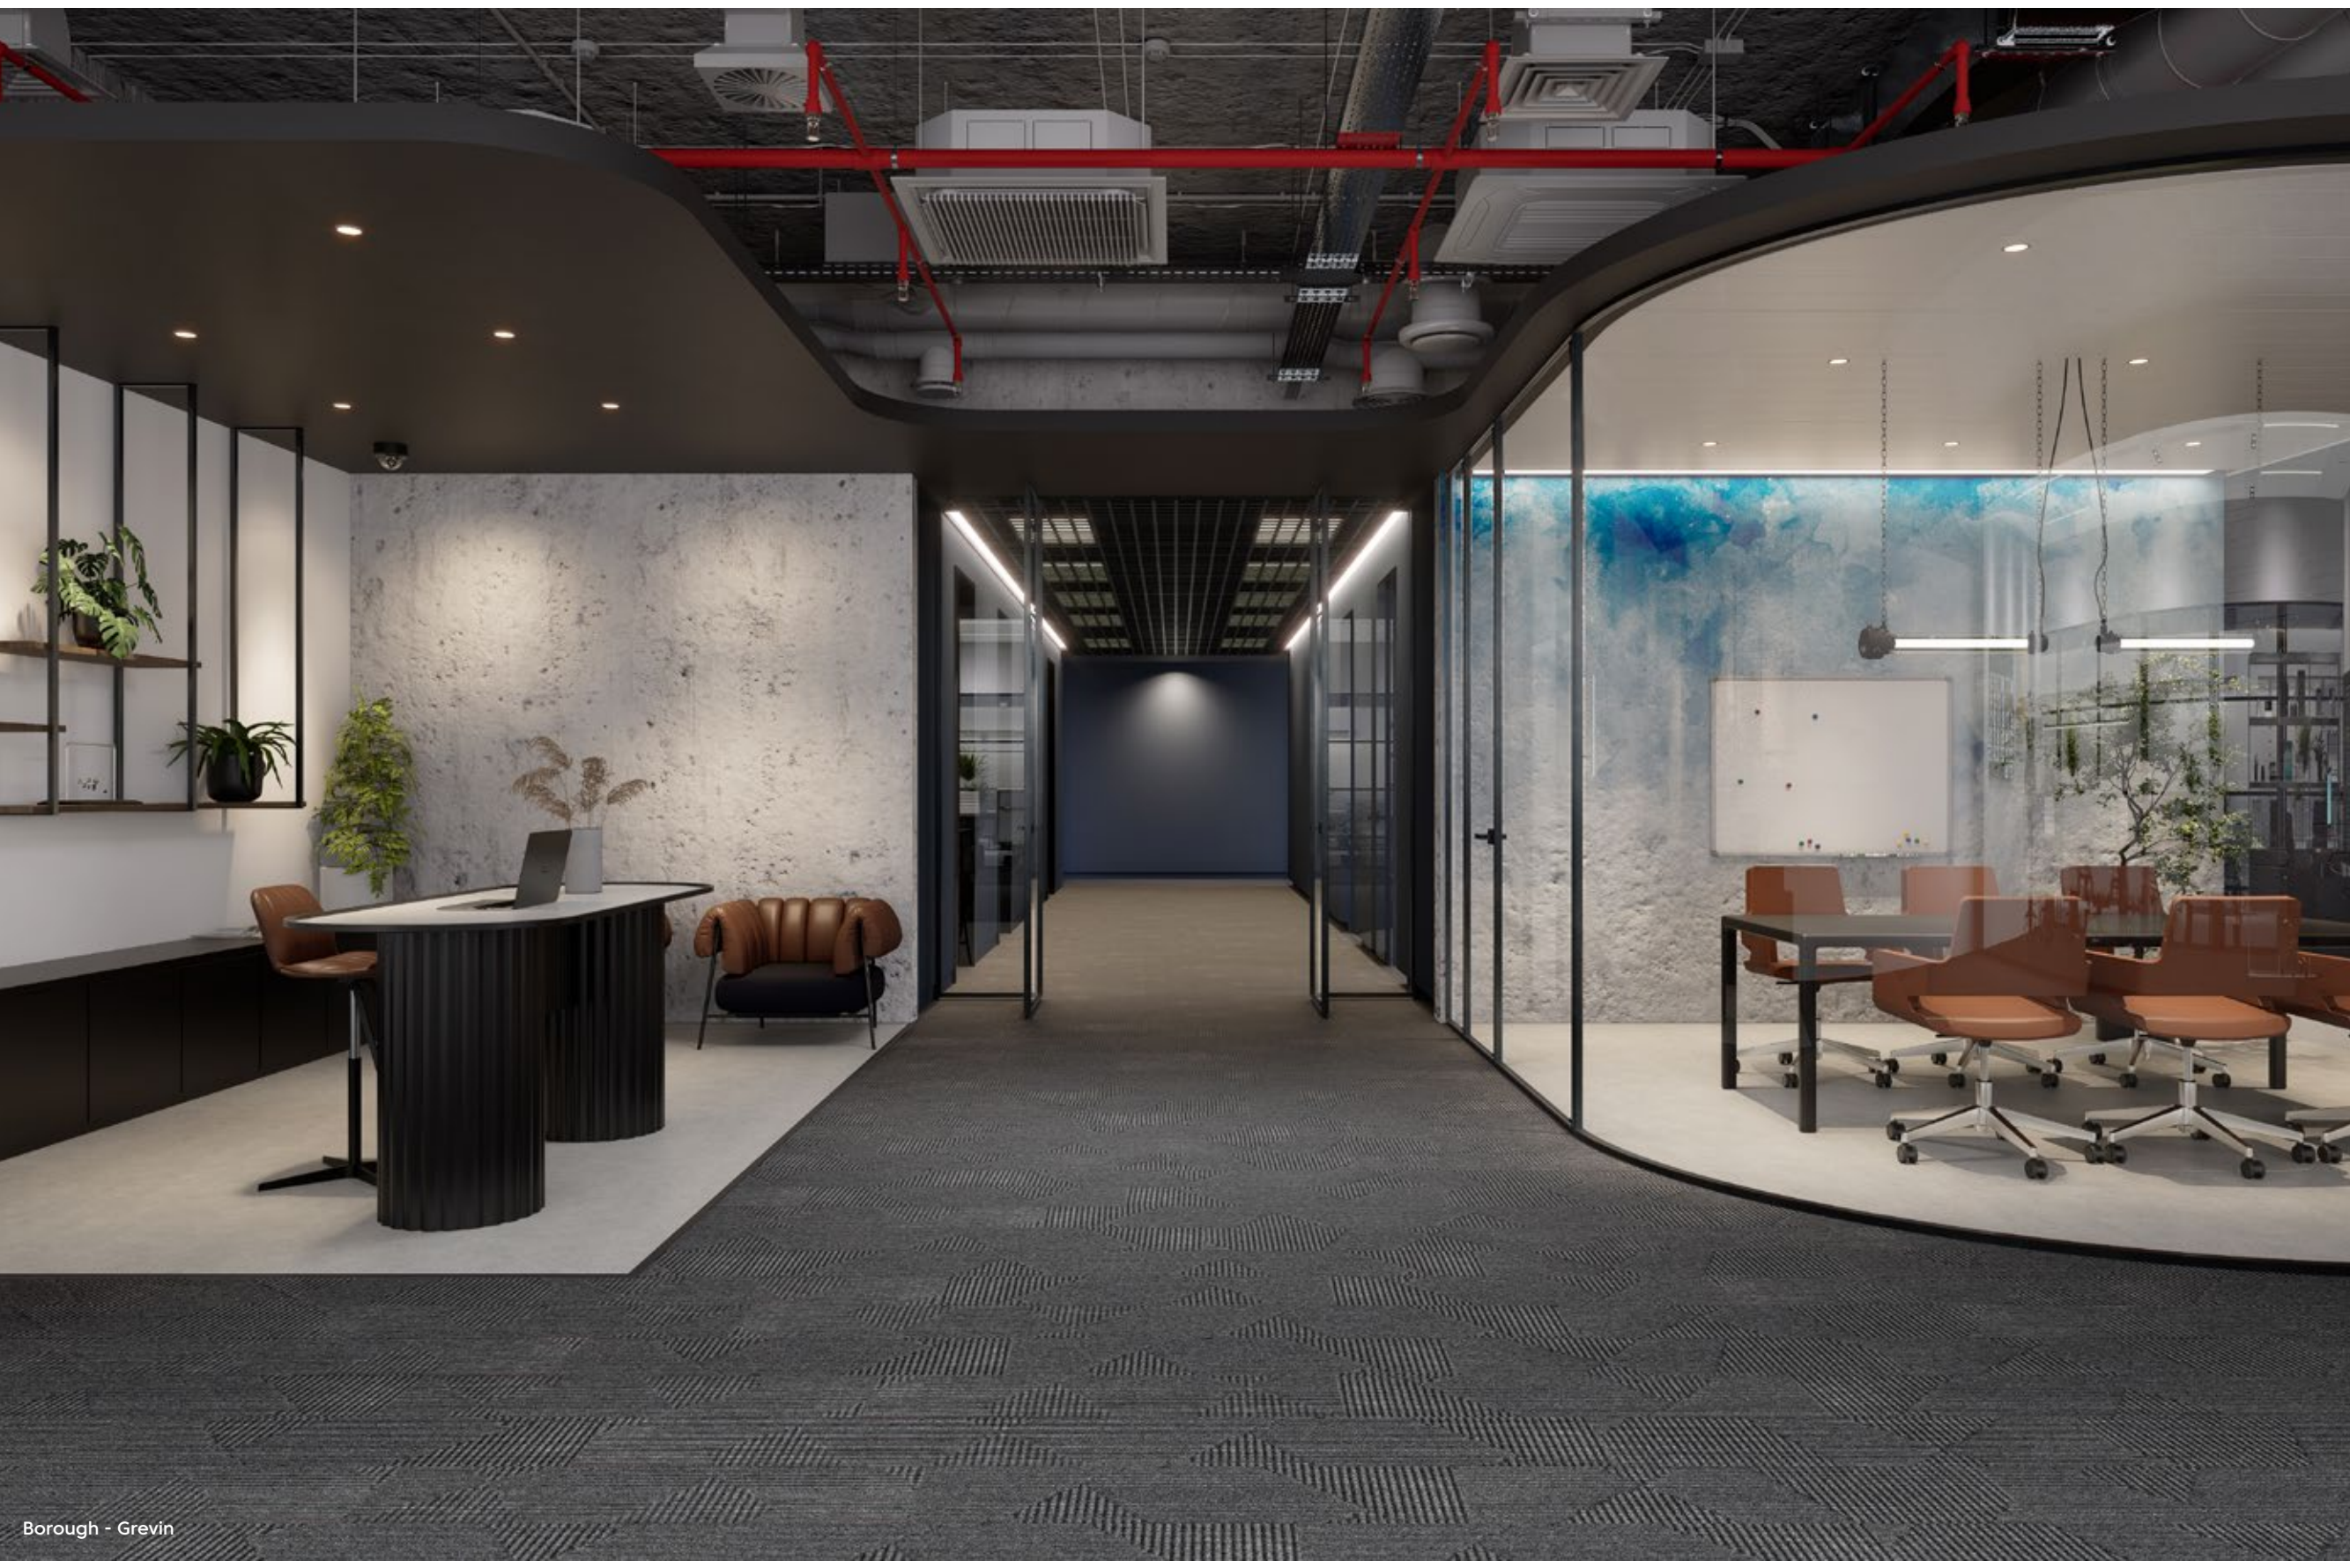

Offering urban
texture and
acoustic comfort

Borough carpet tiles are comprised of 100% solution dyed nylon, and available in 250mm x 1000mm planks. Featuring QuietBack™, this carpet tile achieves an acoustic NRC rating of 0.35.
