QuietBack™ Carpet Tiles

LandLines - Pebble and Basalt

Recreating 'perfect
imperfection'.

LandLines QuietBack™ carpet
tiles offer a textural, lineal design
taken from the natural undulations
and raw tones of the land.

Rich deep blues and blacks punctuate
the more subtle earthen base of silvers
and neutral beiges, resulting in eight
unique colorways.

Offering
a textural
lineal design.

The 'imperfectly perfect' pattern that we overwhelmingly associate with the terrain of the natural world is recreated here, designed specifically for a seamless lay.
