QuietBack™ Carpet Tiles

---

---

A stylish design combined  
with a superior performance.

---

Monitor planks weave a very modern theme to combine shades of charcoal with a mix of strands of color to make the floor a feature of any space.

Comprising four charcoal tones and four

highlight strip planks, tiles can be mixed and matched to create a unique feature floor. Monitor carpet tiles are not only aesthetically pleasing but also designed for superior acoustic performance and are made from eco-friendly materials.

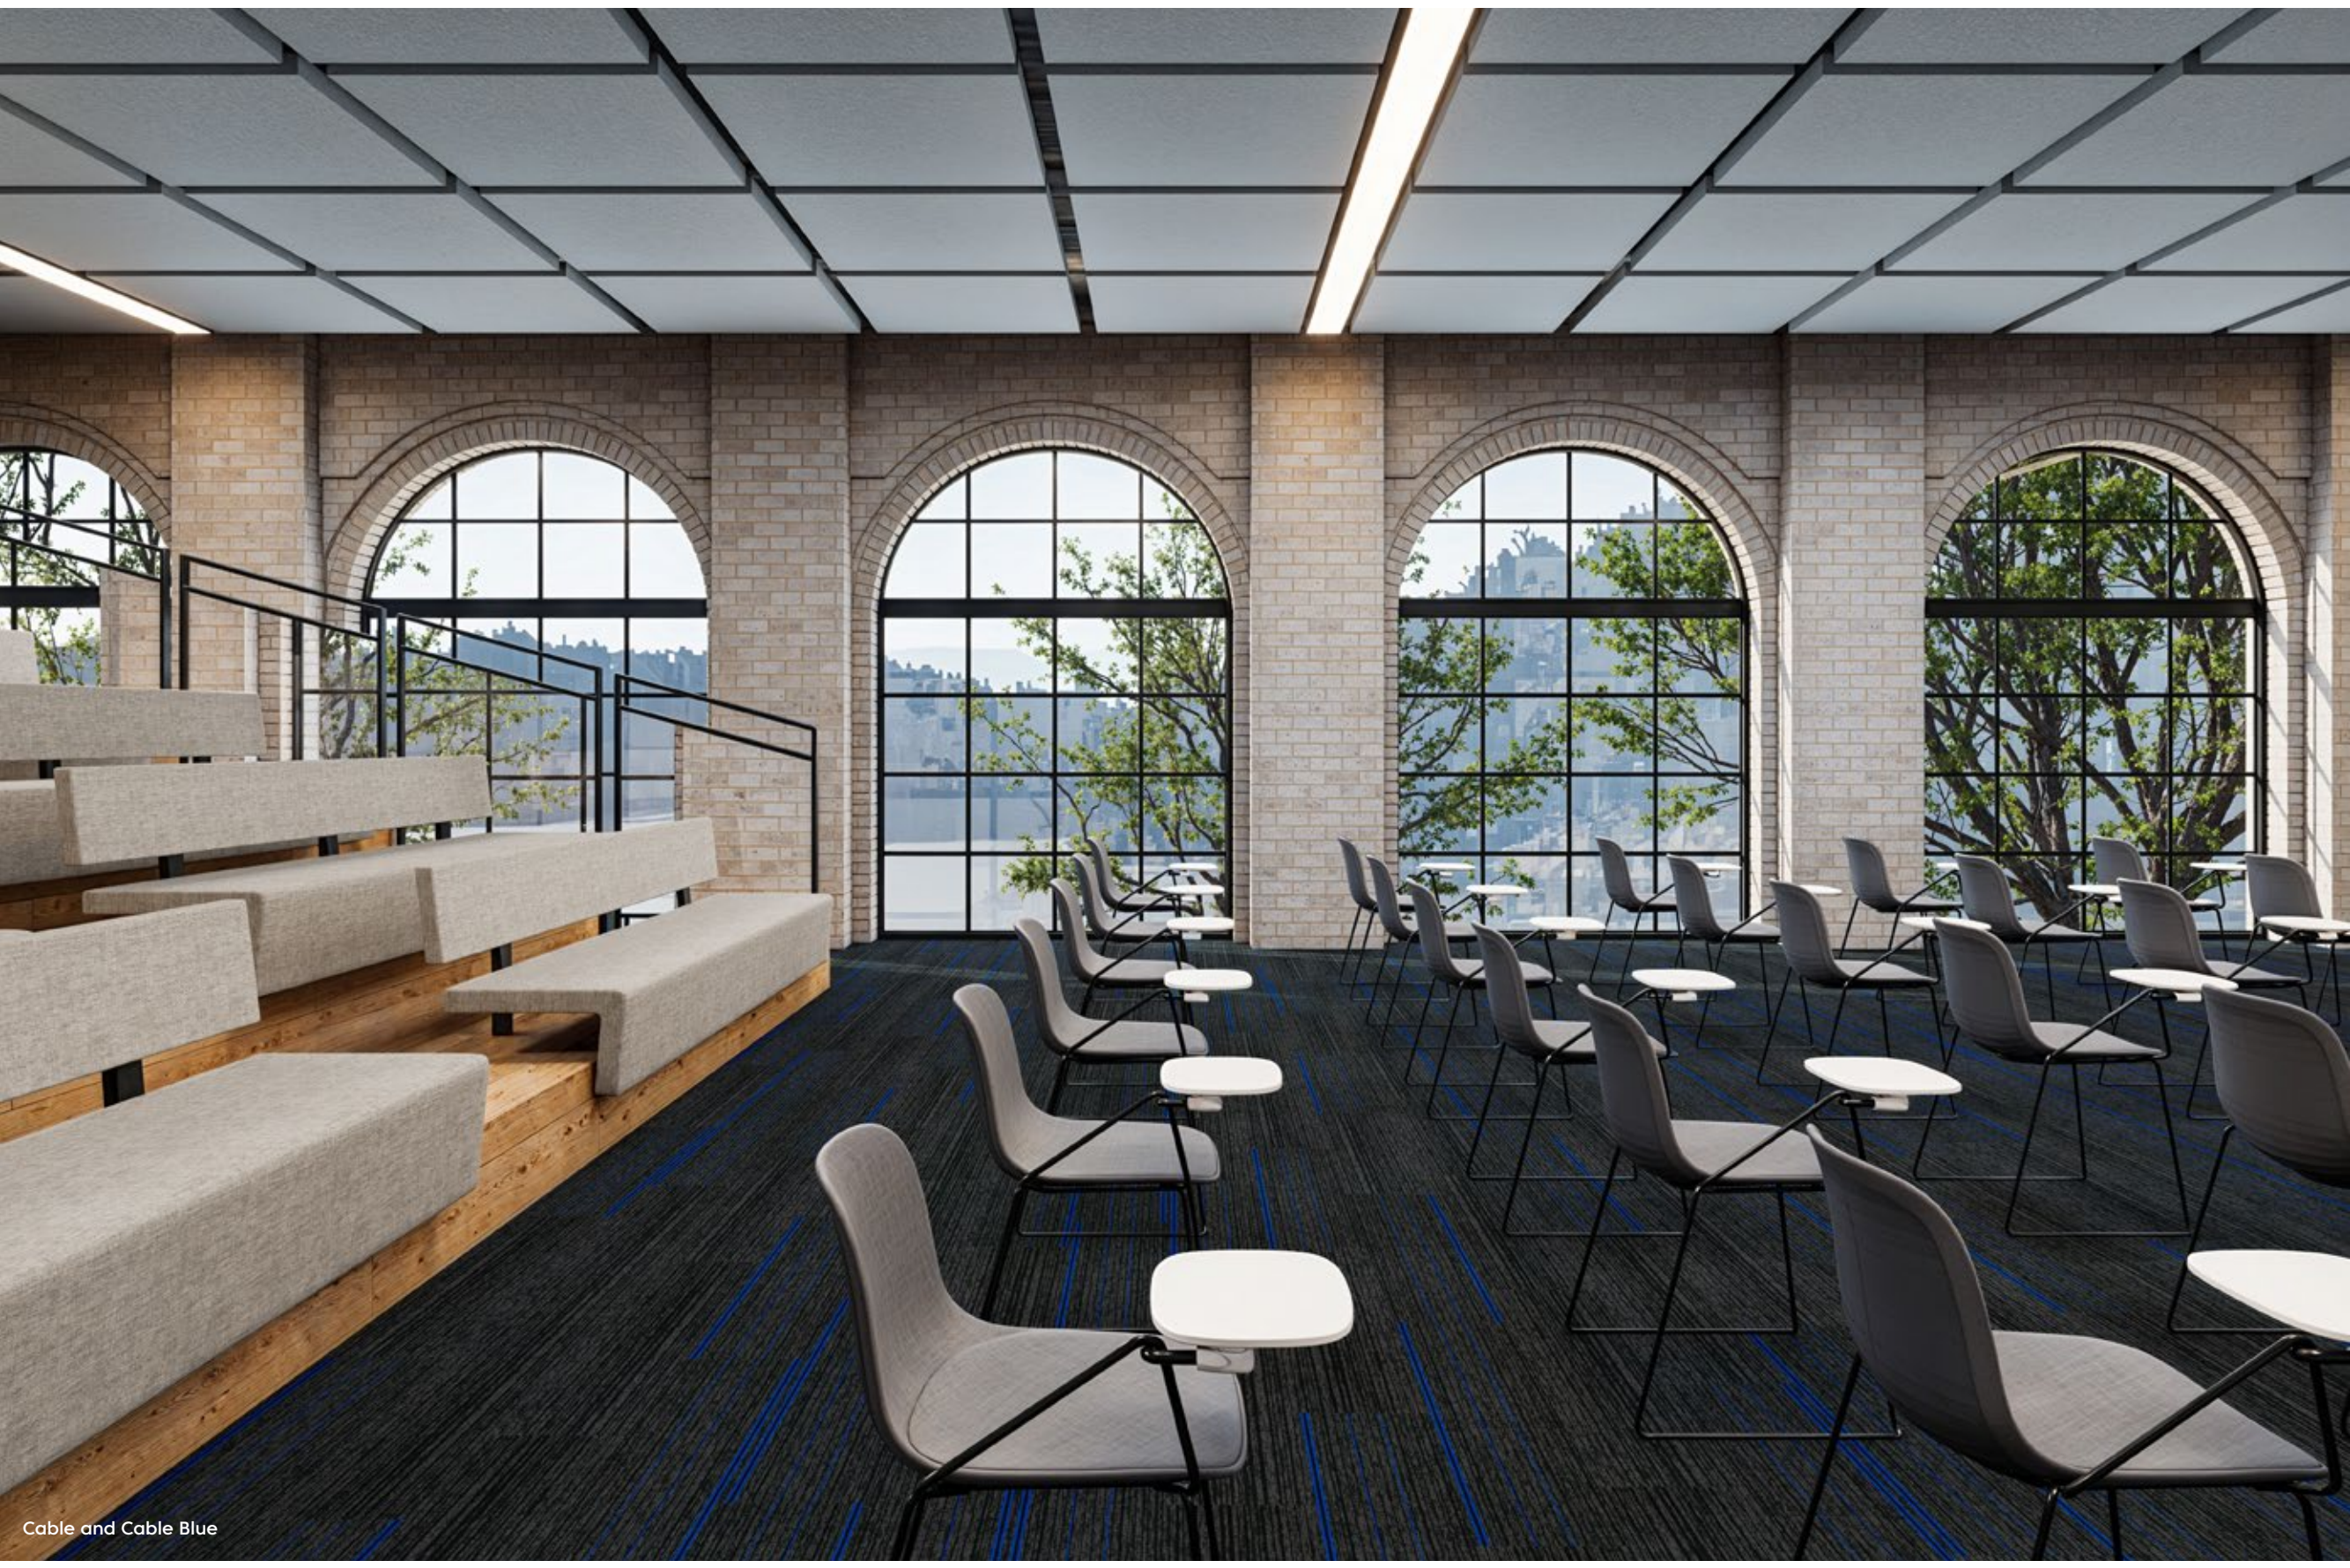

Clean and quiet  
with a pop of colour.

Cable, Circuit and Channel

Crafted for sound and style with QuietBack™ technology, Monitor carpet tiles reach an NRC rating of 0.35, reducing noise while showcasing a multi-level textured

loop pile in subtle charcoals and vibrant accents. These carpet tiles are comprised of 100% solution dyed nylon, and available in planks of 250mm x 1000mm.
