

Seven Seas

QuietBack™ Carpet Tiles

Seven Seas – Barnacle

Patterns defined by the
power of the ocean.

The Seven Seas collection of plank-style acoustic carpet tiles takes its inspiration from the remote North Sea. Surrounding rocky cliffs, stormy

skies and pebble beaches influence the grey, beige and blue colorways that make up this collection.

Seven Seas – Charter and Bleak

Elegantly resilient
and highly
serviceable.

Prevailing winds and corrosive waves wear away at the shoreline, creating the textured, weather-worn pattern visible in each tile. Despite being exposed to these natural forces, Seven Seas tiles are elegantly resilient and highly serviceable, making them perfect for high traffic and long-serving spaces.
