

Grand Central

SoftStep™ Carpet Tiles

Grand Central - Times Square

A confluence of form and function.

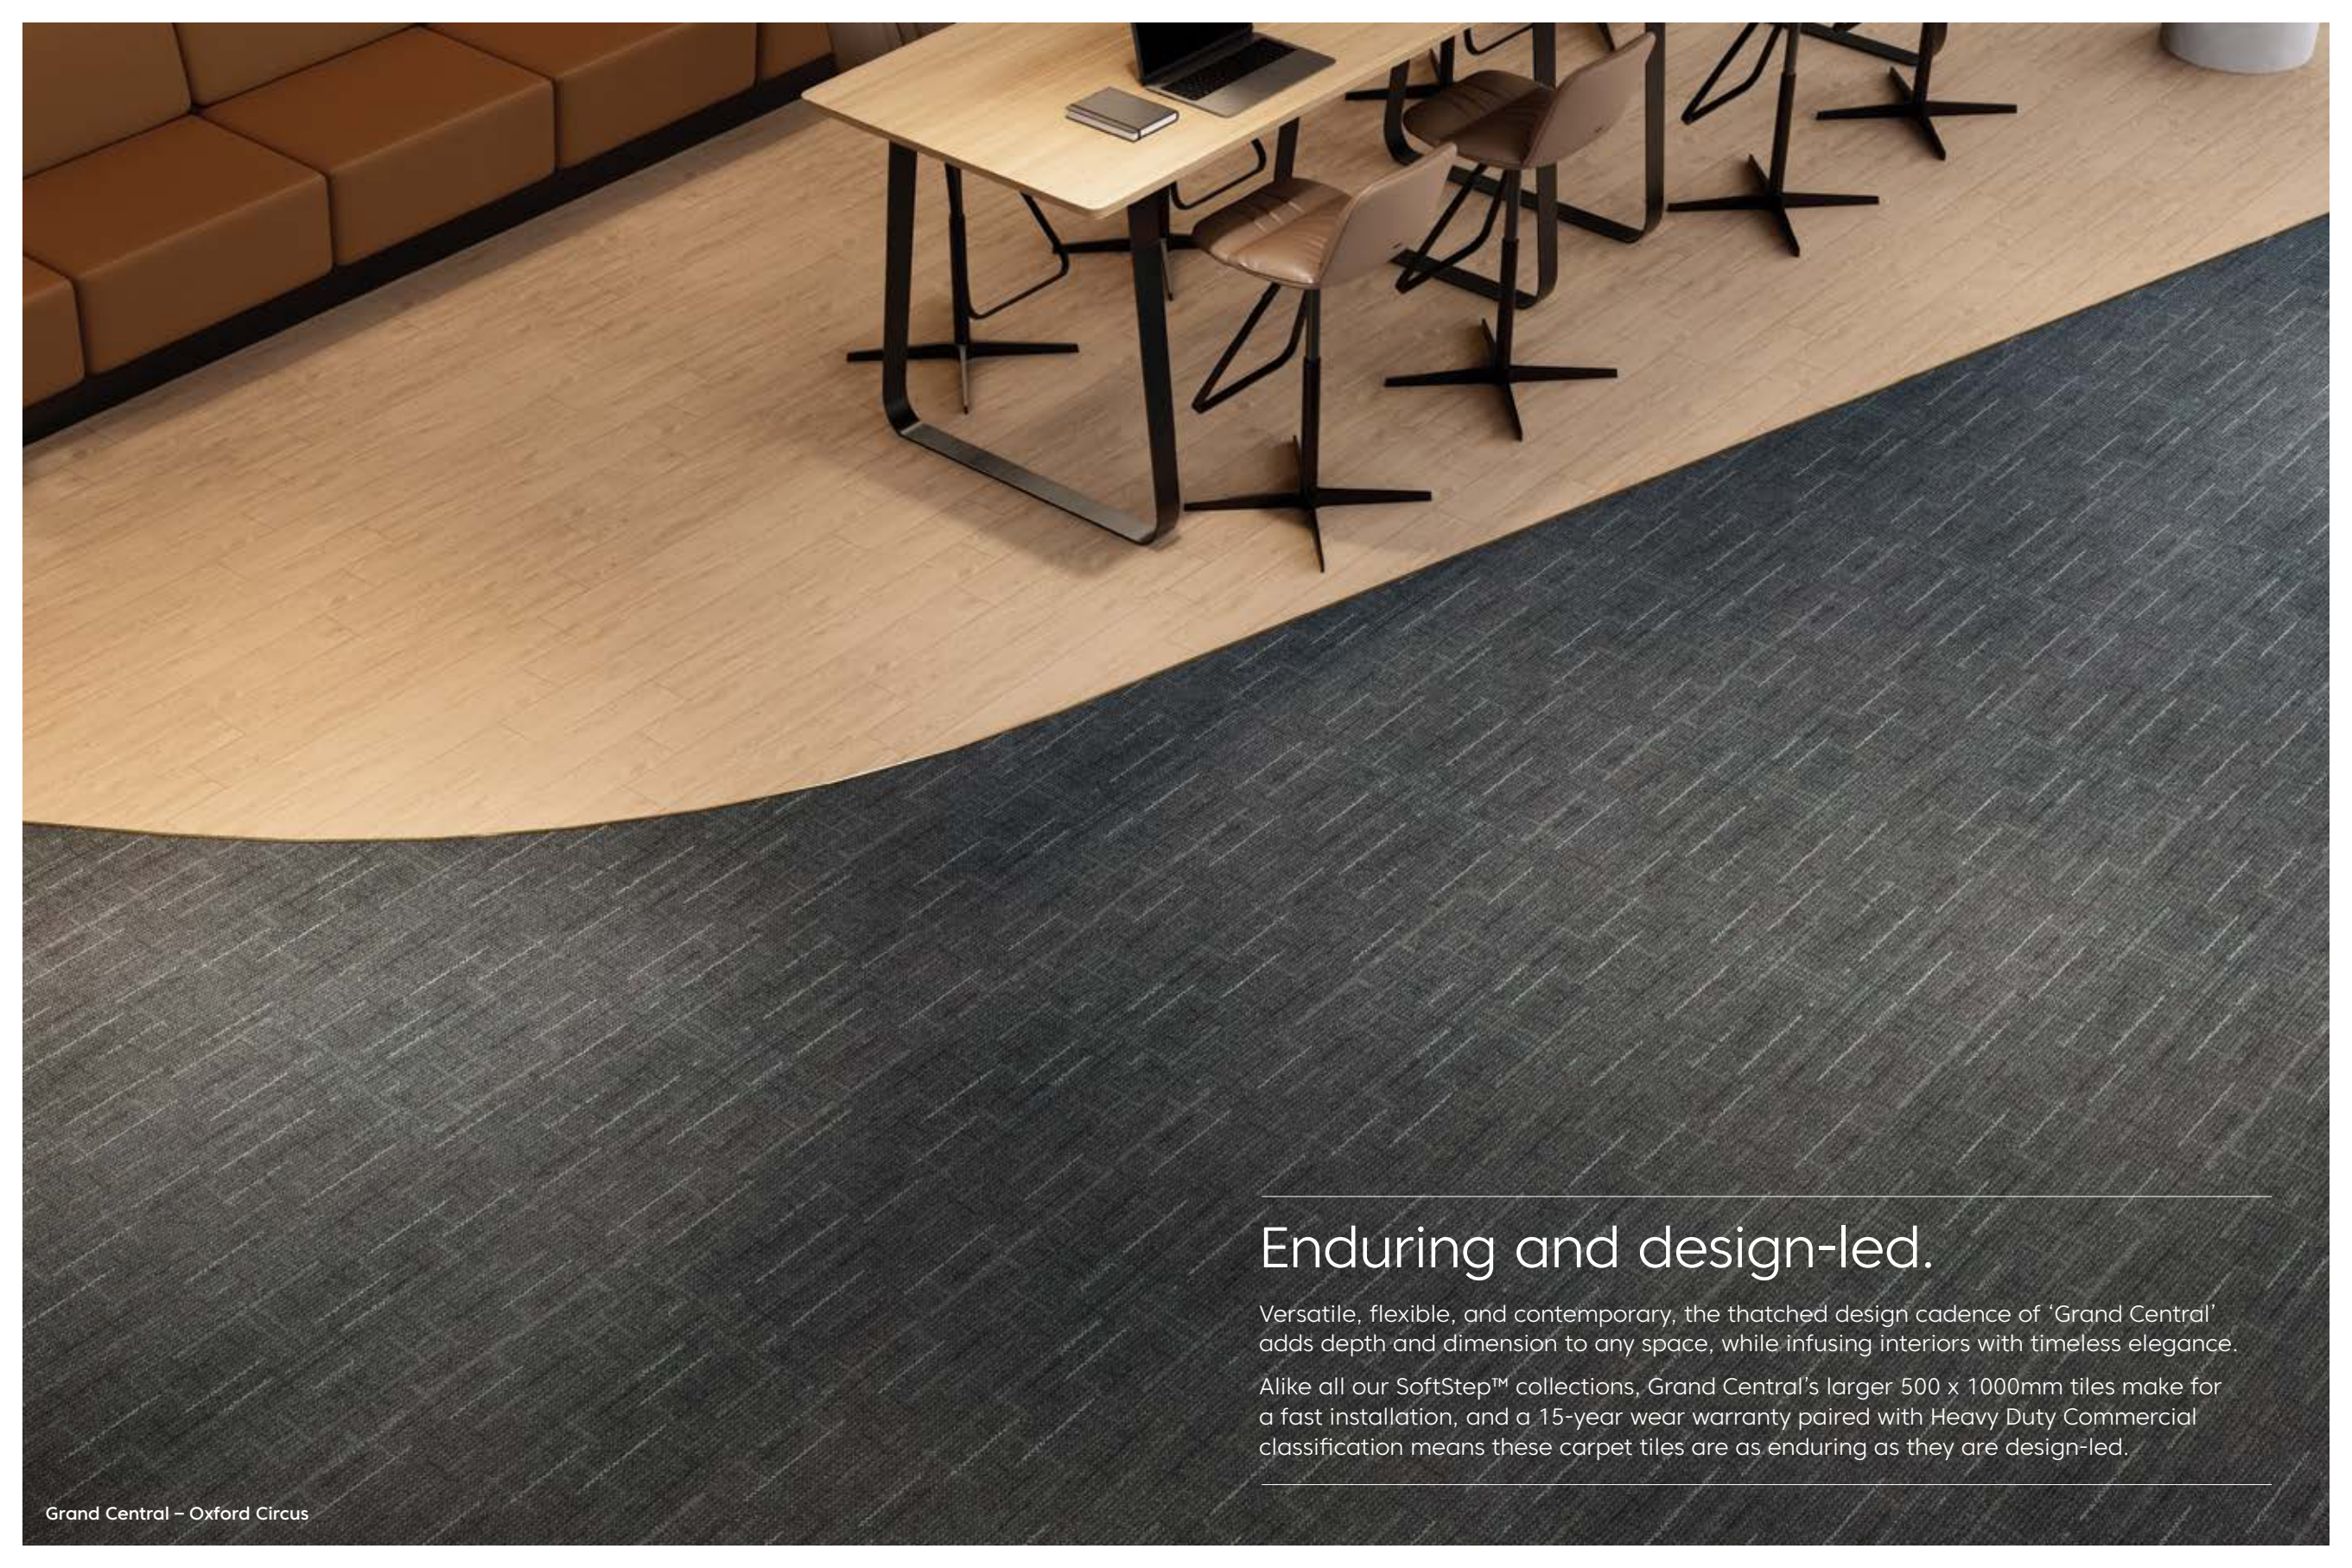

Our 'Grand Central' SoftStep™ carpet tiles capture the dynamic flow, visual harmony, and cosmopolitan energy of the bustling metro. Carefully mapped train lines influence the interplay of pattern and color, where an intersecting lineal design complements the

neutral beiges, soft greys and rich earthy tones that make up the collection.

Much like train stations as a place of convergence, the collection is a confluence of form and function.

Enduring and design-led.

Versatile, flexible, and contemporary, the thatched design cadence of 'Grand Central' adds depth and dimension to any space, while infusing interiors with timeless elegance.

Alike all our SoftStep™ collections, Grand Central's larger 500 x 1000mm tiles make for a fast installation, and a 15-year wear warranty paired with Heavy Duty Commercial classification means these carpet tiles are as enduring as they are design-led.

Key Features

EFSG compliant
with SoftStep™

High
resistance
to fire

PVC &
Bitumen free

Certified
low VOC

Backing made from
80% recycled content

15 year
wear
warranty

Stain
resistant

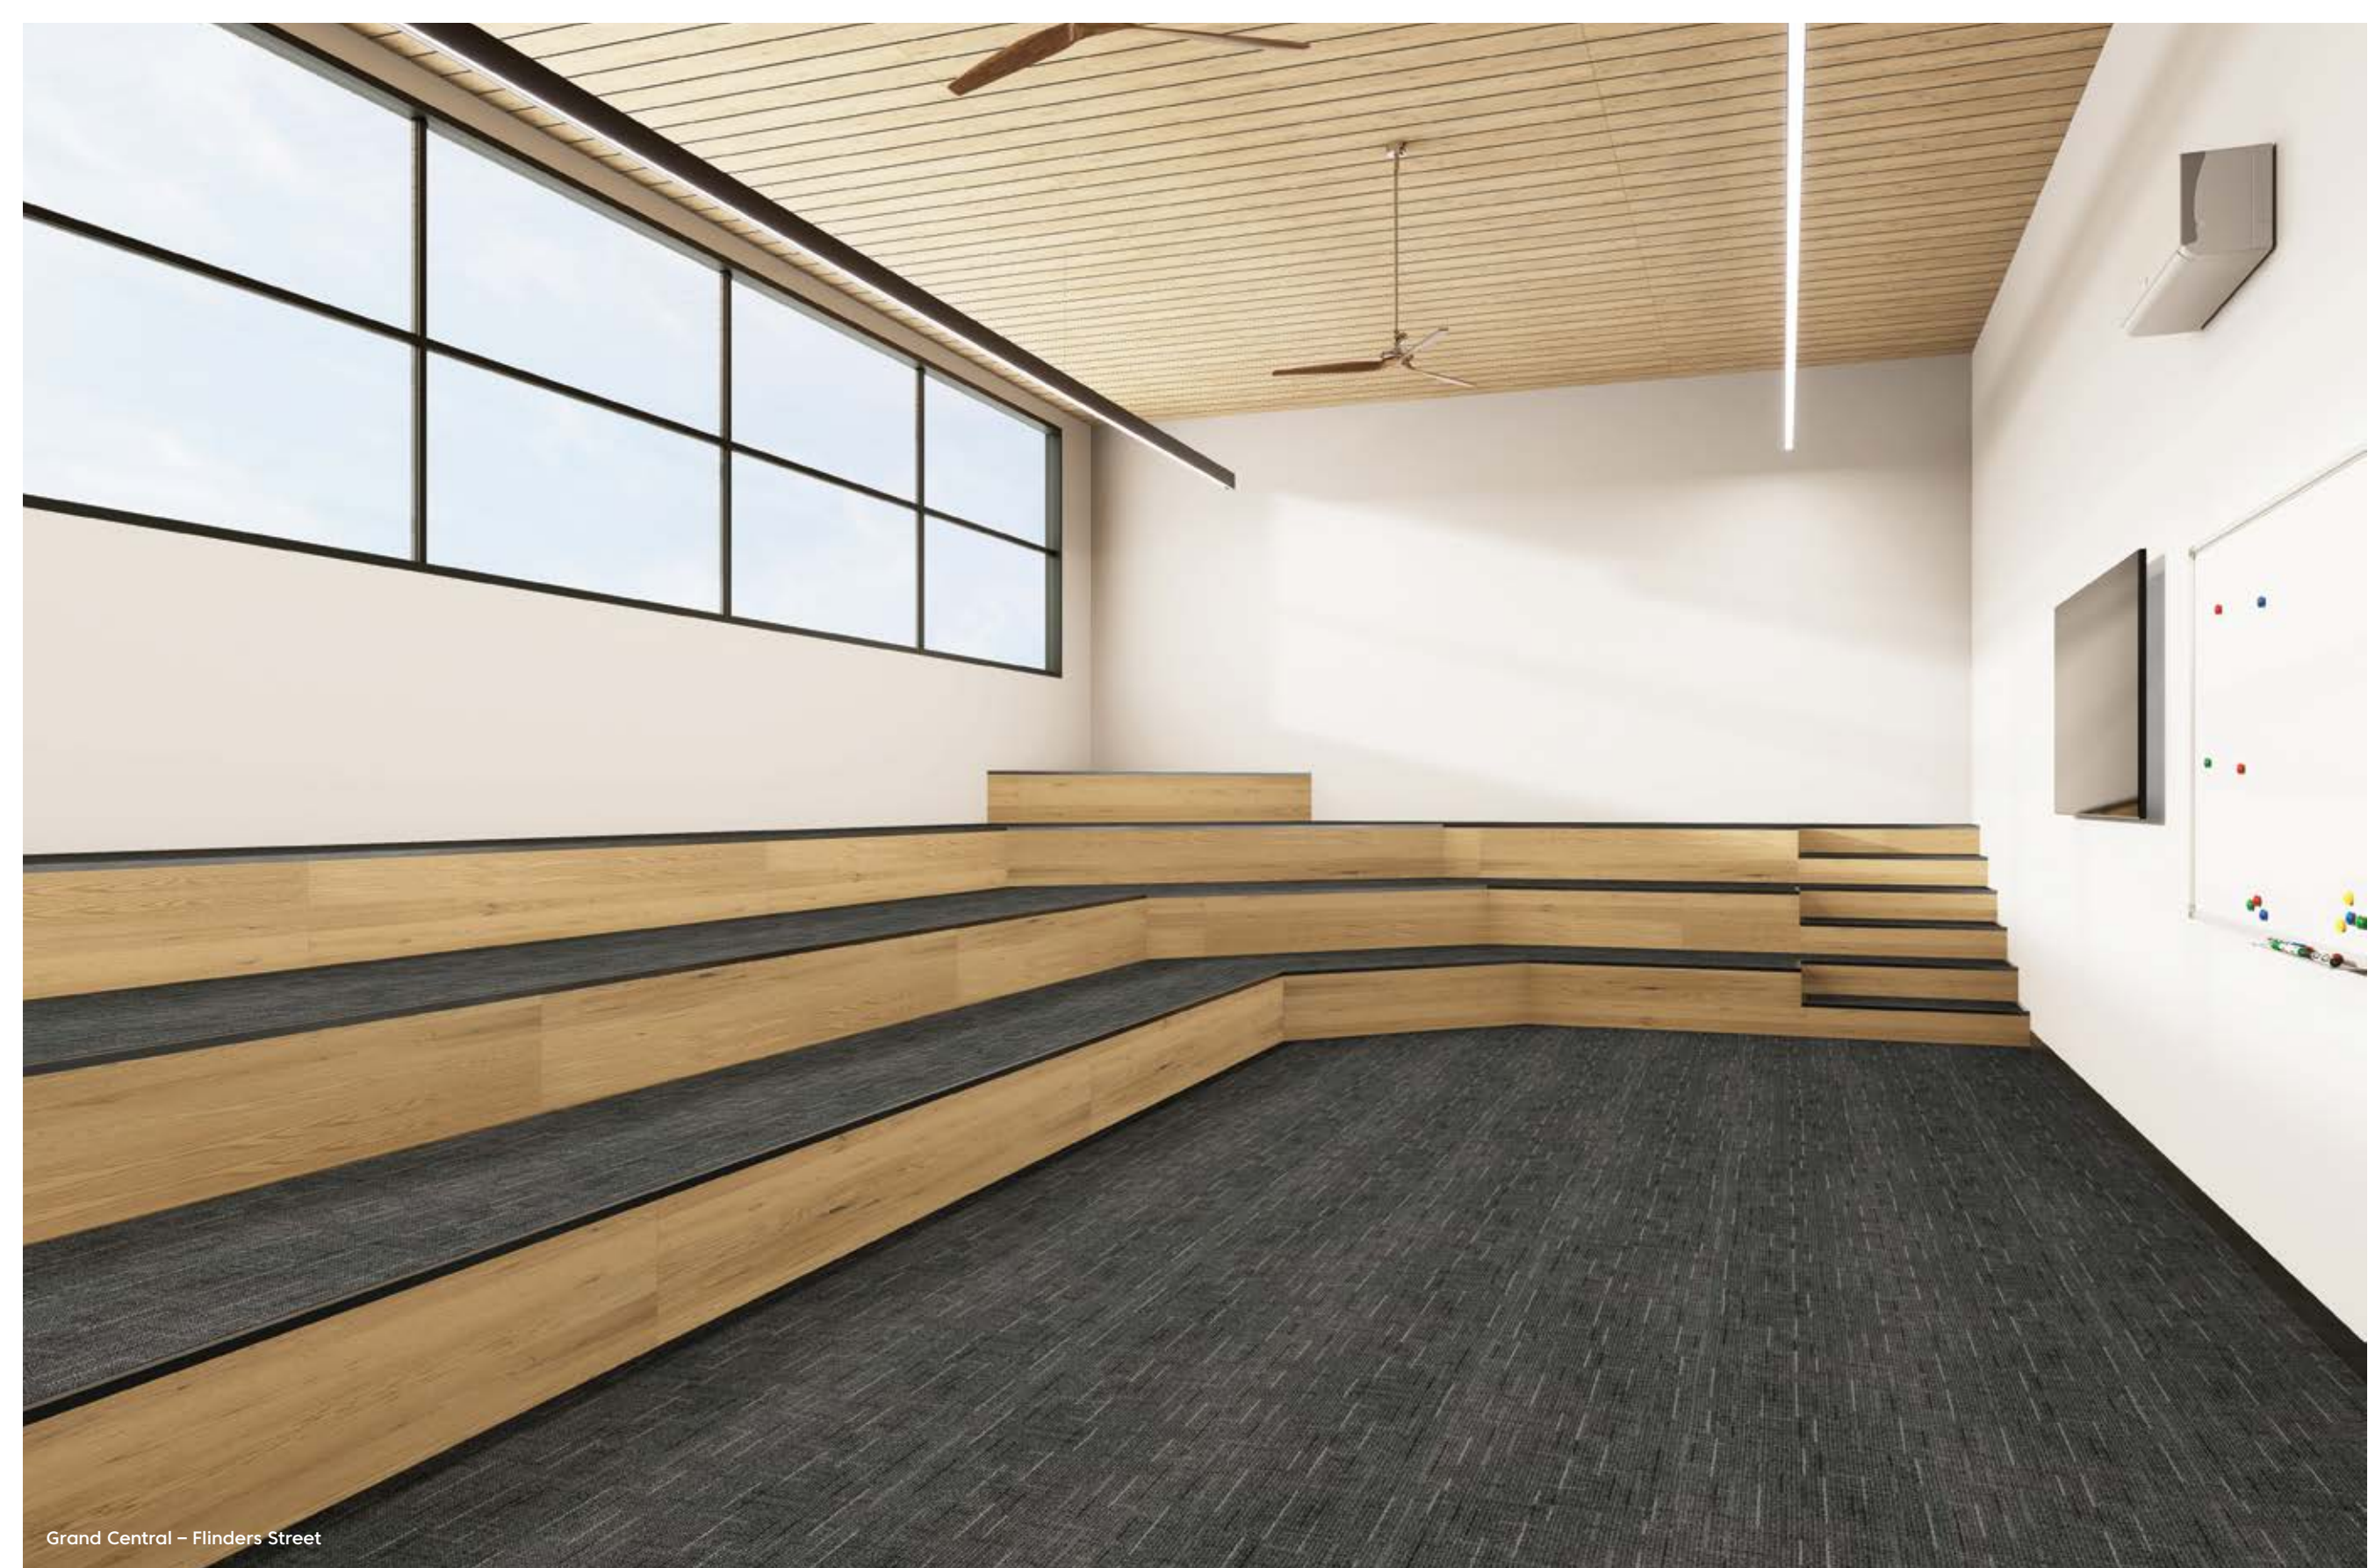

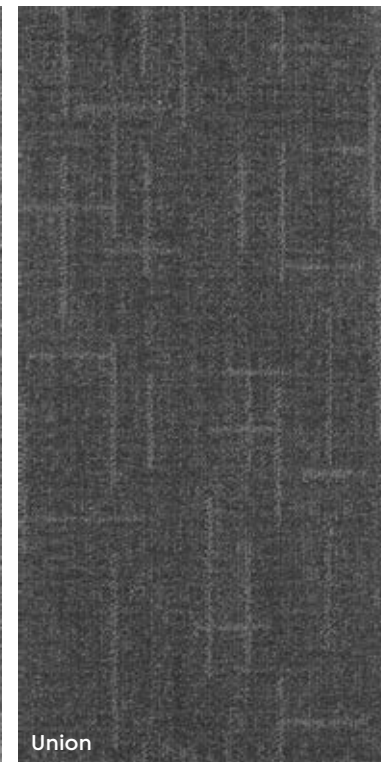

Low
maintenance

Larger tiles
for fast install
